

# Olmstead Advisory Committee Meeting

## July 30, 2014

# California Transportation Plan

## What is it?

Statewide, long-range transportation plan that:

- Defines ***goals, policies, and strategies*** and the future ***statewide, multi-modal transportation system***
- Integrates statewide modal plans
- Builds upon Regional Transportation Plans and Sustainable Communities Strategies
- Analyzes future scenarios and policies using robust modeling tools

# California Transportation Plan

## WHY?

- Provides a statewide common policy framework
- Guides transportation investments and decisions
- Gives strategic direction to the regional transportation plans
- Evaluates the performance of our plans
- Identifies the system needed to meet our climate change goals

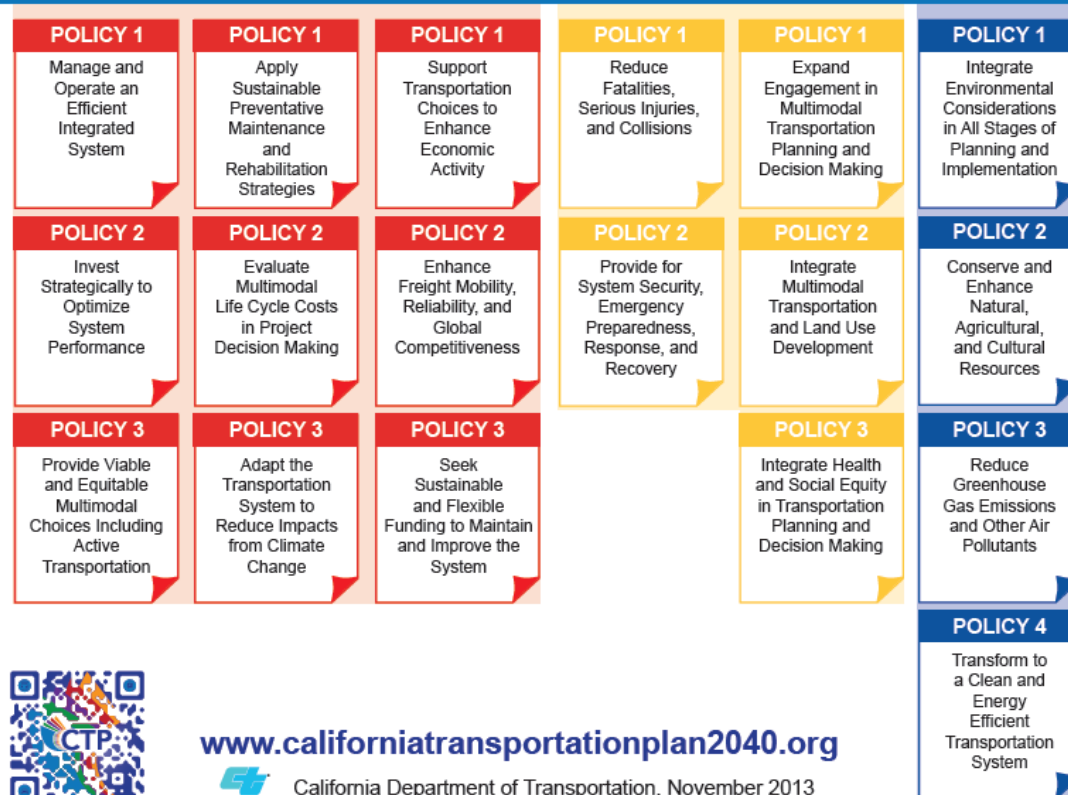

## THE VISION SUSTAINABILITY

## THE GOALS

## THE POLICIES

# Proposed Vision Statement

## *Evolution of vision from 2025/2030 to 2040*

California's transportation system is safe, sustainable, and globally competitive. It provides reliable and efficient mobility and accessibility for people, goods, and services while meeting our **greenhouse gas emission reduction goals** and **preserving community character**. This integrated, connected, and **resilient** multimodal system supports a prosperous economy, **human** and environmental health, and social equity.

# Goal 1

- Improve Multimodal Mobility and Accessibility for All People
  - Policy 3 – Provide Viable and Equitable Multimodal Choices Including Active Transportation

# Goal 4

- Improve Public Safety and Security
  - Policy 1 – Reduce Fatalities, Serious Injuries, and Collisions

# Goal 5

- Foster Livable and Health Communities and Promote Social Equity
  - Policy 1 – Expand Engagement in Multimodal Transportation Planning and Decision Making
  - Policy 2 –Integrate Multimodal Transportation and Land Use Development
  - Policy 3 – Integrate Health and Social Equity in Transportation Planning and Decision Making

# Modal Plans

## INTEGRATING THE STATEWIDE MODAL PLANS

**BICYCLE PLAN**  
*To be determined*

# Strategic Highway Safety Plan

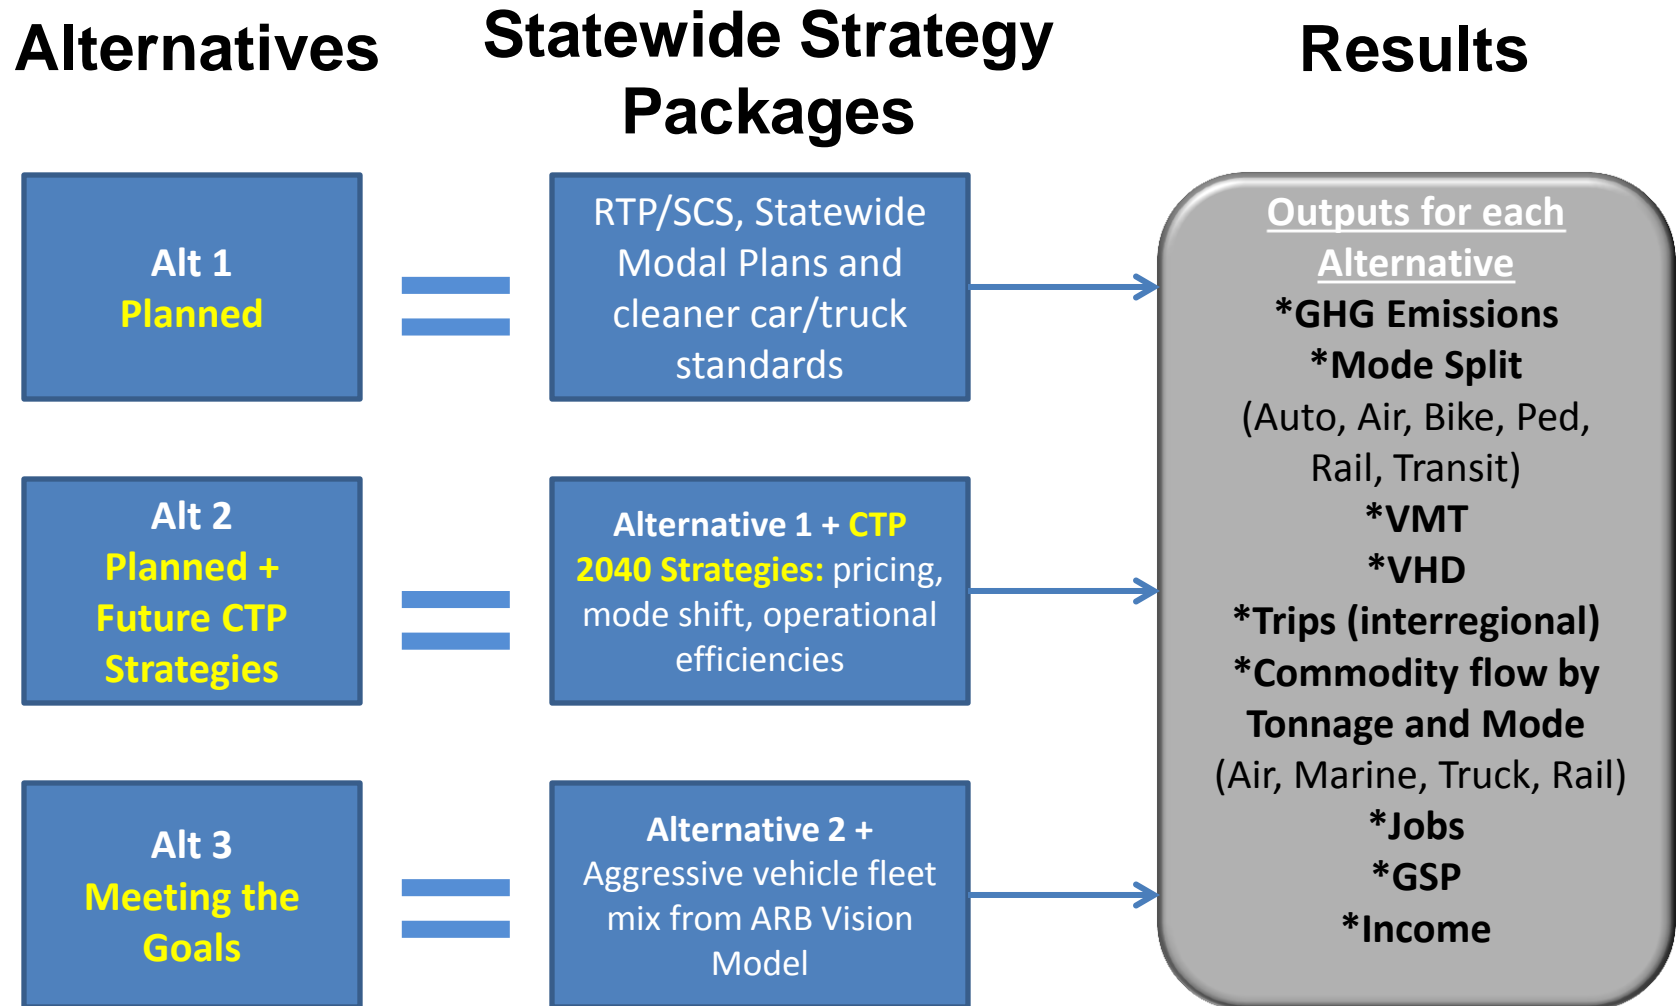

- Applies resources in the areas where the greatest gains can be made to save lives, prevent injuries, and improve safety for all roadway users.
- Challenge areas of interest:
  - Improve Intersection and Interchange Safety for Roadway Users
  - Make Walking and Street Crossing Safer
  - Improve Safety for Older Roadway Users
